(Doc. MUDr. Ján Porubský, CSc., the State Secretary of the Health Ministry) –  
Primary health care development in Slovakia, human resources planning, visions of  
Ministry of Health.

## **2. Congress hall**

### **B •11:00 – 12:00 – Symposium of Products of Abbot and MEDPREV – 60min**

1. MUDr. Jarmila Pertináčová, Bratislava – Vaccination against flu for season  
2010/2011 - Why and what vaccine with?

2. MUDr. Peter Najmik, Košice – Dyslipidaemia treatment in practice – the role of fenofibrate
3. MUDr I. Hajdúk, MUDr. E.Szabová – Non-invasive diagnosing of arterial rigidity and its importance

**Lunch break till 13:00**

## **1. Cinema hall**

### **A •13.00-14.00 – Research in general medicine – 60min**

**Coordinator: J. Bendová, GP** Veľký Biel

1. Prof. Christos Lionis, MD, GP – Research opportunities in general practice in countries with limited resources
  2. Doc. MUDr. Bohumil Seifert, Ph.D., GP, MUDr. Norbert Král, GP – Research in general medicine in the Czech Republic. WONCA World conference 2013 in Prague.
  3. Research opportunities in general medicine in Slovakia:
    - Data projects (MUDr. Katarína Tesárová, GP Bratislava, MUDr. Peter Lipták, GP)
    - Post antibiotic diarrhoea (Clostridium difficile toxin) at elderly and polymorbid patients
- Lucia Kukučková, GP in training

**Break 20 min**

### **B •14:20-15:20 – ABC dietology – 60min**

**Coordinator: I. Vaverková, GP**

1. MUDr. I. Vaverková. MPH – Effective primary prevention - cooperation of a general practitioner, a couch and a dietologist
2. MUDr. Igor Bukovský, PhD – News in healthy diet recommendations

**Break 20 min**

### **C •15:40-16:40 – Haematology – 60min**

**New competencies in haematology**

**Coordinators: MUDr. D. Buzgová, GP, R.Compagnone, GP** Bratislava

1. Antiaggregation therapy – new competency - clopidogrel
2. Anticoagulation therapy – new competency - Warfarin
3. Cases and master solutions from general practices - MUDr. Mária Galčíková, GP Slovenské Pravno

**Break 20 min**

### **D •17:00-18:00 – Dermatology/Infectology – 60min**

**New competencies – Management of Herpes zoster in general practice**

**Coordinator: MUDr. M. Jandzíkova GP, Žilina, MUDr. P. Bakič GP, Zavar**

1. Prof. MUDr. Mária Šimaljaková, PhD – The clinical picture of Herpes zoster, differential diagnosis, treatment
2. Doc. MUDr. Pavol Kristian, PhD – The view of an infectologist on treatment of patients suffering from Herpes zoster, complicated cases hospitalized at the Infectology Clinic

3. MUDr. Martina Jandzíková, GP Žilina – Cases and master solutions from general practices

## 2. Congress hall

### A •13:00-14:00 – Obesity university – 60min

Coordinator: I. Vaverková, GP, K. Tesárová, GP, Bratislava

1. The national program for obesity prevention (Mgr. Adriána Račková, the Institute for Public Health of the Slovak Republic)

## 2. Congress hall

### A •13:00-14:00 – Angiology – 60min

**Chairmanship:** MUDr. Katarína Dostálová, MUDr. Pavol Štec GP Kežmarok

1. Ultrasound examination of venous system of lower limbs – Katarína Dostálová, angiologist, Bratislava

2. Project Days of healthy veins - evaluation – MUDr. Pavol Štec, GP, Kežmarok

3. MUDr. Lannert A.(Hungary) – Importance of usage of arteriograph for GP – 20min (Az arteriográf használatának fontossága a gyakorlóorvos számára).

**Break 20 min.**

### B •14:20-15:20 – Oncology – 60min

**Coordinator:** V.Ballová, S.Kišňová, J. Chudej, E. Berešová, GP Poprad

1. Doc. MUDr. Soňa Kišňová, PhD.: Characteristics and diagnosis of neuroendocrine tumors

2. MUDr. Juraj Chudej: Trends in diagnosis and treatment of chronic myelogenous leukaemia

3. MUDr. Veronika Ballová: Lymphadenopathy

**Break 20 min.**

### C •15:40-16:40 – Cardiology I – 60min

#### Chronic heart failure

**Coordinators:** M. Jandžíková, GP Žilina P. Bakič, GP Zavar, P.Lipták GP

1. MUDr. Gabriela Kaliská, CSc., FESC: Arterial fibrillation.
2. Doc. MUDr. G. Kamenský, CSc., FESC: Characteristics and diagnosis of heart failure
3. Prof. MUDr. Fedor Šimko, CSc., FESC, Haviar's lecture from the XV. Congress of SKS: Heart failure treatment, problems and perspectives

**Break 20 min.**

## **D •17:00-18:00 – Cardiology II – 60min**

**Cardiovascular prevention The Day of the Heart 2010, MOST Campaign, The Days of Healthy Heart 2010**

**Chairmanship:** Š.Farský, G. Kamenský, M.Jandzíková **GP**, P.Bakič **GP**, P. Lipták

1. Doc. MUDr. G. Kamenský, CSc. – The Day of the Heart evaluation – 24<sup>th</sup> September 2010
2. P. Lipták, M. Jandzíková, P. Bakič – The Days of the Healthy Heart 2010 – activities of GPs
3. Doc. MUDr. Štefan Farský – What next in the cardiovascular prevention.
4. The draw of the winner of device Boso ABI 100- PAOD screening from all participants of the Days of the Healthy Heart 2010

## **3. Hotel pod Zámkom** – October 22, 2010

### **Training room pZ**

## **A •13:00 - 17.00 Resuscitation I – 180min**

**Urgent health care in conditions of GP I. The basic urgent support of life functions and automatic external defibrillation**

An educational program based on recommendations of the European Resuscitation Council. It supports obtaining and/or renewal of theoretical knowledge and practical skills in basic urgent support of life functions in general practices.

**Lecturers:** MUDr. Patrícia Eftimová **GP**, MUDr. Karol Kálig, Mgr. Vernarcová – **An intensive course for about 20 participants applied in advance**

### **Congress hall pZ**

## **A •13:00-14:00 – Geriatric – 60min**

**Care for geriatric patient at home**

**Cordinators:** R. Roľná, I. Vaverková **GP**

1. MUDr. Ružena Roľná, MPH(VŠZP) – Care for geriatric patients in terrain, cooperation with ADOS
2. MUDr.Iveta Vaverková, MPH **GP** – Rists of the old age
3. Urinary incontinence in older people

**Break 15 min.**

## **B •14:15-15:15 – General medicine is sexy!**

The workshop for young general practitioners, support of young GPs - the network of Wonca for the youth - Vasco da Gama movement

**Coordinators:** MUDr. Lenka Bachratá GP, VdG SR, MUDr. Kateřina Javorská GP, a representative of the Czech Republic at VdG, MUDr. Norbert Král GP, UVL UK Praha

## Break

### **C •17:00-18:30 – Behavioural workshop:**

#### **Labyrinth – from Minotaur to medicine**

Jana Bendová GP, Ulrich Busch GP (Austria)

### **•20:00-24:00 Social evening of SkS GP SkMA**

– Miguel Mendez's Latino Flash performance and miner's band from Prievidza

## Saturday 23.10.2010

### **1. Cinema hall**

#### **A •8:00 – 9:00 – Psychiatry – 60min**

**Chairmanship:** MUDr. Vladimír Hacek, MUDr. Niké Makarová (psychiatrists), MUDr. Peter Makara MPH GP Pčoliné

1. Management of psychiatric disorders, the division of work between a GP and a psychiatrist.
2. Managing an aggressive patient in the GP practice and during a home visit.
3. Cases of psychiatric patients in GP practice

**Break 15 min.**

#### **B •9:15-10:15 – PC workshop – 60min**

**Coordinator:** P. Lipták GP

Information websites

Doktor Google – MUDr. Peter Lipták GP

**Break 15 min.**

#### **C •10:30-11:30 – Pneumology – 60min**

#### **Syndromes in pneumology – differential diagnosis in pneumology**

**Coordinator:** J. Bendová, GP, I. Vaverková, GP

1. MUDr. Jana Bendová – Treatment of the patient suffering from caught
2. MUDr. I. Vaverková, MPH – How to treat dyspnoea
3. MUDr. Patrícia Eftimová GP - Cases from GP practice

**Break 15 min.**

#### **D •11:45-13:00 – Hypertension school – 75min**

**Workshop, coordinators:** Doc. MUDr. Štefan Farský, CSc., FESC, MUDr. Jana Striško Senčáková, MPH GP, Senec

## 1. Congress hall

### A •8:00-9:00 – Smoking cessation school – 60min

#### - Respiriology group workshop

Coordinators I. Vaverková, J. Bendová,

1. MUDr. I. Vaverková, MPH, GP – What prevents the doctor in education of a smoker? (Evaluation of a survey)
2. MUDr. Jana Bendová GP – How to motivate the smoker to quit smoking?

Break 15 min.

### B •9:15 – 10:15 – Vessels examination – our competencies - workshop – **Vessel projects of SkS GP SkMA** – 60min

Coordinator: J. Kaňuch, GP Raslavice, K. Dostalová, P. Štec, GP Kežmarok

1. PAO – measuring ABI in general practices
2. Prevention and care for venous patient in general practices
3. Cooperation with the Slovak Angiology Society of SLS.

Break 15 min.

### C•10:30-11:30 – Tests in our practices = POCT (Point of care testing) – 60min

–Coaguchek, CRP, glucometer, BP manometer, ECG, spirometry, AB checkers -60 min

–Coaguchek, CRP, OK-testing, HCG, glucometer, BP manometer, ECG, spirometry, AB checkers, Dopplers...

Coordinators: M. Baník GP Lemešany, P. Lipták, GP

Break 15 min.

### D •11:45-13:00 – Flu – 60min

Coordinator: Z. Košťálová GP, D. Buzgová GP, R.Compagnone GP

1. Prof. MUDr. Fedor Čiampor, DrSc. – Flu viruses, real threat.
2. Doc. MUDr. Mária Avdičová , PhD – Evaluation of the last year's flu pandemy in the world and in Slovakia, lessons from the pandemy course, WHO attitudes.
3. MUDr. Luděk Hochmuth – Flu vaccination, strategies how to achieve a higher vaccination rates
4. D. Buzgová GP – Vaccination during the autumn 2010 – flu, pneumococcal, up to date information for GPs.

**Lunch break 13:00 – 14:30**

## Congress hall:

### A •14:30 – 16:30 Interactive workshop – **GPs problems, education, presence and future of primary health care – members meeting of SkS GP SkMA** – 120min

**Coordinator: MUDr. Iveta Vaverková- president SkS GP SkMA**

1. GPs undergraduate education organization, Euro funds usage, practical approach (Invited guests: MUDr. Katarína Naďová, MPH, MPH, Trnavský Municipality, MUDr. Eva Berešová, GP Vysoke Tatry, Doc. PhD. Zuzana Slezáková, PhD, MPH, health education department of Ministry of Health)

2. General medicine problems

- procedure regarding the next destiny of LSPP
- procedure regarding referrals
- procedure regarding further GP's education (alarming numbers of GPs in the retired age - 1000, fears about the further existence of GP sector in 10 years)
- procedure for financial negotiations between health insurance companies and GPs
- procedure regarding the autopsy performance
- procedure regarding organisation of congresses and further educational activities for GPs

3. Global strategy regarding negotiations with health insurance companies and with Ministry of Health SR.
